

DR. DARNYELLE JERVEY HARMON®

*is the successful CEO of the award-winning consulting firm, Incredible One Enterprises, LLC
which is headquartered in Newark, DE.*

Darnielle is a powerful, passionate speaker who loves business and the people who lead in them each day. In fact, in one facet or another her work has been growing businesses for nearly twenty years.

Darnielle is a rare find: she's powerful and poised, she can command the audience's full attention from the moment she opens her mouth and she offers transformation, and strategic insight to help companies grow. She is not just a motivational speaker and your audience will love you for choosing her. She has an amazing ability to connect with every member of your audience to make them feel like she is talking just to them so that they feel empowered, served and equipped for next level success. Her presence immediately up-levels leaders so that they become better managers, customer service agents and brand ambassadors for the organizations where they lead.

As a professional speaker that achieves the highest remarks of any event or conference where she's spoken, Darnielle is committed to equipping her audiences to perform at higher levels so that businesses continue to grow and impact the communities where they live and work.

DARNYELLE'S SPEAKING TOPICS

MARKET LIKE A ROCK STAR

In her signature interactive keynote or workshop Market Like a ROCK Star™ Darnielle shares her top success secrets to transform you from a marketing rookie into a marketing rock star and trust me this is NOT your grandfather's marketing strategy - its hip, fresh and PROVEN to grow ANY business. You'll discover how to create marketing systems that lead to massive business growth so you build a business that serves you.

TIGHTEN YOUR SALES GAME

In this interactive keynote or workshop, Darnielle will introduce you to the ROCK the Sale Success Method™, which will help you make the poignant shift so that you sell by serving your most ideal clients. You'll learn to banish fear while selling authentically.

MINDSET FOR MILLIONS

"Until you work on the six inches between your ears, you will not feel seven figures between your fingers." If getting to the million dollar mark was all about strategy, every business would be a million dollar company. Understanding the powerful correlation between your mind and money is something few can discuss in a way that creates transformational results for audiences. Join Dr. Darnielle for a powerful presentation on how to make the power mindset shifts necessary to step boldly into your million dollar CEO birthright.

WHAT AUDIENCES ARE SAYING

"We've had Darnielle back year after year for one reason She brings the energy, passion, knowledge and most importantly RESULTS. She is able to increase department productivity and ensure a sense of teamwork into the entire department. We've seen a 38% increase in productivity and morale remains high. She is right when she says she is more than motivation. The skills, strategies and solutions that she offers are impactful and they work! I am excited to know hands down we will be working with her for years to come!"
