

MOVING 6 FIGURE BUSINESS OWNERS TO

MILLIONS

Award-Winning Business Coach, Author and Speaker

DR. DARNIELLE JERVEY HARMON

STARTED FROM THE BOTTOM, NOW WE'RE HERE

My name is Darnyelle Jervey Harmon and I've gone from bankrupt to **bankable**.

I grew my business to millions just three years after filing bankruptcy and since then ***I have helped 30 other entrepreneurs cross the million-dollar mark*** in their business.

From day one, I have been a Belief Barrier Breaker - defying the odds and breaking the chains of my ancestors. After a realization that I wasn't born to sit behind someone else's desk in December 2004, I followed God's call and resigned from my position of Vice President and within 5 months, went on to pick up my first of two pink Cadillacs.

Now I can proudly say that I am the CEO of a business transformation company that wins awards for combining spiritual principles with business growth strategy. And we are just getting started. We have millions on our mind - helping millions of people through serving each and every client to Next Level Everything in their life and business.

“I BELIEVE THAT WEALTH AND ABUNDANCE IS YOUR BIRTHRIGHT.”

Your business is the vehicle God intended to bring wealth into your life experience. And together we are shifting the staggering statistics around small business because when businesses make more, the impact is felt by millions. **If you didn't come from millions, millions should come from you.**
